

AR 2x36/2x40/2x55 3201

AR 2x54 3201

Recess mounted fluorescent fitting with a decorative and modern outlook achieved with a semi-cylindrical perforated metallic sheet covering the lamps in order to diffuse a mild and pleasant light.

This luminaire is a high quality fixture with a diffusing and agreeable light output for a variety of applications:

- Conference rooms
- Banks
- Executive offices
- Clinics
- Shops
- Reception areas
