

Multiline ML

The Multiline series has been specially created for architects and interior designers. Simple and modern, Multiline can be installed, recessed or surface mounted. It can also be suspended with the aid of stainless steel wires.

The body is made of extruded anodised aluminum and the finishing is usually brushed aluminum. It can be painted in black, grey or white on request.

Generally used in:

- Offices
- Shops
- Malls
- Showrooms
- Conference rooms
- Receptions
- Banks
- Living rooms
